# SOLIDARITY THROUGH ACTION

SOLIDARITY THROUGH ACTION SUPPORTS STUDENTS AND THE GENERAL PUBLIC IN LEADING PEER-TO-PEER FUNDRAISING CAMPAIGNS AND EVENTS IN THEIR COMMUNITIES TO HELP SUPPORT HEAD & HANDS PROGRAMS AND SERVICES.

## WHAT IS A PEER-TO-PEER FUNDRAISER?

Formally known as third party, community-led, or external fundraisers, these events are fundraising activities held by an individual, group, school, or organization in support of Head & Hands.

## BE CREATIVE! GET INVOLVED!

By getting involved you will help Head & Hands, unify your community and learn great skills along the way. Themed dinner parties, zombie bowling, bake sales, film screenings, group bike rides, plays, concerts, or birthday parties, are all events that have been organized by community members.

### SELWYN HOUSE SCHOOL: YOUTH IN PHILANTHROPY

"The one key thing we have learned from the project as well as our fundraising experience was ultimately learning to be able to give back to our community."
